

Technical Data Sheet Rev.1

EVERBUILD Stick 2 Touch Up Enamel – 25ml

DESCRIPTION AND USES

EVERBUILD Stick 2 Touch Up Enamel is A premium quality, high gloss enamel that provides superior rust protection and dries to a mirror like finish. It is ideal for touching up scratches and chips or enamel and lacquer damages on bathroom fixtures, kitchen appliances and ceramics. It is highly durable and provides excellent colour retention, even after repeated cleaning.

APPLICATION (we always recommend gloves be worn when handling this product), ensure surfaces are dry, clean and free from rust and grease. Apply a thin layer of TOUCH UP ENAMEL directly onto the surface using the brush included. Allow first layer to dry before repeating procedure if necessary. Allow to dry for 24 hours.

STORAGE

Store in cool dry conditions between 0 and 20°C. Storage outside these parameters will dramatically reduce shelf life.

Shelf life – 3 years from date of manufacture in original unopened containers.

HEALTH AND SAFETY

See safety data sheet

LIMITATIONS

As the manufacturer cannot know all the uses its products may be put to, it is the users responsibility to determine suitability of use. If in doubt, contact Technical Services Department for advice.

Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application.

Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that

The information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product. Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with

The stipulations set out in our general sales conditions.

The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information

Provided verbally by telephone to any prospective or existing customer.
